

EDGE SYNCHRO

A distinctive chair designed for meetings and workstation seating. Aesthetics and comfort come together in Edge

Superb levels of comfort and support are achieved within the sleek outline of Edge upholstery. Both heights of the smartly tapered backrest provide total back support. The slim-line seat offers comfort that is subtly deluxe.

Features

- Synchro mechanism
- Dynamic back-with-seat tilt movement
- AFRDI certifications:

Australian/New Zealand Standard for Height Adjustable Swivel Office Chairs – AS/NZS 4438(1997).

This standard specifies dimensional, ergonomic, and durability requirements for computer chairs. AS/NZS 4438 offers three levels of certification – Level 4, 5, 6 – with Level 6 being regarded as the market standard.

AFRDI state that Level 6 is regarded as suitable for users up to about 110kg.
